

## Warning: Peroxide-Forming Chemical

This chemical forms peroxides during storage and has a limited shelf life. Test \_\_\_\_\_ months after opening and discard \_\_\_\_\_ months after opened; or discard within 1 year if unopened.

- ❖ Store in tightly closed original container.
- ❖ Avoid exposure to light , air, and heat.
- ❖ If crystals, discoloration, or layering are visible do not move or open container, contact EH&S at ext. 2106, 2104, 2107, or 2110
- ❖ **Always check for peroxides before distilling or concentrating**

Date Received \_\_\_\_\_ Date Tested \_\_\_\_\_

Date First Opened \_\_\_\_\_ Test Results \_\_\_\_\_

If opened (Class III, Test at 3 months, discard at 6 months)  
If opened (Class I & II, Test at 4 months, discard at 1 year)

**Review MSDS prior to use**
