

Graduating Student Survey Spring 2024

College of Human Sciences and Humanities

By the Office of Planning & Assessment

University of Houston-Clear Lake

Summary of the Survey

The purpose of the Graduating Student Survey is to determine the level of satisfaction of students with their recent higher education experience at the University of Houston-Clear Lake (UHCL). In addition, we solicit the students' opinions regarding which areas or issues need improvement to ensure that UHCL maintains the highest quality of instruction and support. Finally, the percentage of students who would recommend UHCL to family or friends is included in the UHCL progress card each year and is on the next page.

We conduct the Graduating Student Surveys in the fall and spring semesters using Qualtrics, a cloud-based software often used to capture a user's experience. The Office of Planning and Assessment sent an invitation to all students who applied for graduation during the Spring 2024 semester to complete the survey on February 19th. The survey was active through May 12th. You'll find the data grouped by college, degree level, gender, ethnicity, and program. The following pages summarize data collected in the Graduating Student Survey Spring 2024 by UHCL as a whole and the individual colleges.

The final reports are posted online at:
