

# AGENDA

## Space Allocation and Utilization Subcommittee (SAUS)

---

February 4, 2021: 1:00 PM

---

### **1. Call to order**

---

Sai Sreerama, Chair

Members were asked to sign in to the sign-in sheet in the teams folder – attached.

---

### **2. Approval of Meeting Notes: December 3, 2020**

---

In Teams Folder

Moved, by Dr. Lash, 2<sup>nd</sup> by John Rodriguez – no objections, these minutes will be posted to the Shared Governance web site.

---

### **3. Old Business**

---

No Old business.

---

### **4. New Business/Announcements**

---

- Presentation from Dr. Lash
  - <https://uhcl.maps.arcgis.com/home/index.html>
  - Presentation was made by Dr. Lash of the GIS platform, containing multiple data sets, as example: campus boundary, forest, roads, pathways, buildings, internal floor diagrams, etc.
  - Discussion: Questions of functionality, how could or would this application be used on our campus
    - Examples: navigation, space utilization, event planning, community engagement.
  - Support/sustainability: these questions are unanswered and would need to be addressed.
  - Questions of applicability to mobile access, kiosk applications, ADA compatibility were all discussed. No significant blocks were identified.
  - Future steps: this application has been advertised across campus, looking to additional used and engagement.
  - Mark Denney will connect with UCT Project team to make this an official UHCL Project to discuss the future, ownership (for ongoing maintenance) and resource allocation.

- FMC winter projects – Eric Herrera
  - Eric Herrera presented a summary of the campus projects completed since the Summer. A copy of the presentation is attached in these notes.
- Space Allocation Request: Strategic Enrollment Management
  - The meeting ran over for time, this presentation will be held until the March meeting.
