**III. GENERAL ELECTIVES (3-18 hours)**

Any additional academic-type courses will apply toward the electives. It is recommended to only transfer up to 6 hours of electives in order to allow the option to select a [Minor](#) at UHCL which is typically 15 to 18 hours and could satisfy the elective requirement.

\* Any additional core courses outside the usual core components may end up satisfying these, check with a UHCL transfer advisor prior to enrolling in the Component Area Option 090 courses. [www.uhcl.edu/academics/advising/transfer/advisers](http://www.uhcl.edu/academics/advising/transfer/advisers)

\*\* MATH 1342 may be substituted for PSYC 2317. MATH 1342 may also be utilized to satisfy the core Mathematics requirement.

\*\*\* Options to select from for the Psychology Core Requirements. Recommended to only choose two of these. Listing all four of the 7 options here since they are part of the [Field of Study \(FOS\)](#), the additional 3 options are only available to be completed at UHCL since they are upper-level courses (PSYC 3321: Learning, PSYC 3331: Theories of Personality, PSYC 4382: Cognitive Psychology). You have the opportunity to choose a combination of upper- and lower-level courses depending on your interest. If you complete all four lower-level options, you may need to complete additional upper-level courses at UHCL.

**Transfer Credit Limit**

UHCL will accept **75 hours** for the transfer courses listed above toward this particular degree's requirements. Student may transfer to UHCL at any point, the courses listed above are only provided for those who are attempting to maximize course options at their current community college prior to transferring.
