

TAKE YOUR HEALTH PERSONALLY – TAKE THE HEALTH ASSESSMENT

Blue Cross and Blue Shield of Texas has partnered with Well onTarget[®] to provide wellness programs and incentives to HealthSelectSM medical plan participants. Take a snapshot of your health by completing the Health Assessment.

Just a few minutes and some personal details – how you eat, how you sleep, how you live your life – can give you a personalized map to your best health. You can find out your risks and your best options to avoid them. Your customized Personal Wellness Report can tell you how to go from good to better.

The Health Assessment consists of nine modules, which you can complete all at once or over time, as your schedule permits. These modules include questions about your:

- Diet
- Physical activity
- Tobacco use
- Emotional health
- Overall health at work and on the road

While it's not required, you might find it helpful to get a wellness exam with your provider before taking the assessment. That way, you will have the health information you need to answer assessment questions more accurately, including your:

- Height and weight
- Blood pressure
- Total cholesterol level
- HDL cholesterol level
- Triglyceride level
- Blood sugar level
- Waist measurement in inches

How will the Health Assessment be personalized?

You will begin by answering a few basic questions. Then, the Health Assessment will ask you more detailed questions based on your answers to the first set of questions.

What should I do with my results?

After completing the Health Assessment, you will get a confidential Personal Wellness Report. This can help take the guesswork out of wellness. The report will show you how you are doing and give you healthy tips. You can even print out a Provider Report to share with your doctor.

When you know your risks, you can choose your best options to avoid them. When you know your strengths, you can decide to build on them.

Have questions about the Health Assessment or Well onTarget? Call a Blue Cross and Blue Shield of Texas Personal Health Assistant toll-free at **(800) 252-8039 (TTY: 711)**, Monday-Friday 7 a.m. - 7 p.m. and Saturday 7 a.m. - 3 p.m. CT.

If your employer gives you wellness incentives for completing a health assessment, remember to give your benefits/wellness coordinator your certificate of completion once you've taken the Health Assessment.
