Dear Dr. Akladios,

The program(s) provided by your educational institution are valuable and necessary to advance the field of safety. BCSP is proud to be able to offer each ABET/AABI accredited Qualified Academic Program (QAP) a \$5,000 scholarship to one junior, senior or Master's student with a minimum 3.0 cumulative grade point average.

The criteria would include:

- Must be a junior, senior, or Master's student.
- Must have a minimum of 3.0 cumulative grade point average.
- Must submit no longer than one-page essay as to why they entered the safety program and what they want to accomplish in the profession.
- Must commit to obtaining the GSP upon graduation and applying for the CSP upon the earliest date of eligibility.
- Must submit a photo.
- Must sign a materials release form.

As the QAP program chair, you will select the award recipient and submit the completed scholarship application form, photo, one-page essay, and the release form to BCSP. It is suggested that submissions be accepted in September and the scholarship recipient should be selected by October 15, with notification to BCSP by the first of November. The scholarship will be mailed to the recipient by the end of November.

BCSP is very proud to be able to offer this scholarship to an exceptional student that will represent the SH&E profession in the years to come. Please contact Kathleen Golding at [gsp@bcsp.org](mailto:gsp@bcsp.org) with additional questions.

Sincerely,
